A rewarding fun day out for families – to raise money for local Hospices

The person named below has registered to take part in Pedal4Charity and will be cycling 18 miles to raise money for Woking and Sam Beare Hospices. Every year the Hospices support around 600 patients and their families living with life limiting illnesses. The running costs for this service are in excess of £5.4 million per year and the Hospices rely heavily on the generosity of the local community to support their work. Events such as Pedal4Charity play an essential role in raising funds ~ please give generously.
